WOMEN'S HEALTHCARE

MELINDA SPOONER, M.D.

JENELLE WATTS, M.D.

June 5, 2020

Dear Patient,

It is with a heavy heart that I write this letter notifying you of my plan to retire. My final day seeing patients will be July 8, 2020.

Due to my medical condition and treatment, I am no longer able to manage practicing medicine and I must make my health my priority. I truly would not leave this profession that I have dedicated my life to if I had an alternative.

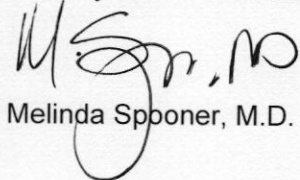

Please know that your care is important to me. You have several options for continued care:

1. Gynecology (not pregnant) patients may see Tu Forkner, PA-C, our physician assistant.
2. Dr. Jenelle Watts schedule is very busy, however she has agreed to accept patients as her schedule permits (obstetric/pregnant and gynecology patients).
3. Dr. Aungel Evans (one of our call group partners) has agreed to see as many obstetric and gynecology patients as possible. Her office is located across the street from my office.
1600 Coit Road, Suite 402
Plano, TX 75075
(972) 612-8829
4. Your insurance company or Collin-Fannin County Medical Society are other resources for locating physicians.

I realize this is unexpected and may cause some stress but, please be assured that we will do all we can to make this transition as smooth as possible.

To legally transfer records, a release of information form must be completed in writing by you. A release of medical records form can be found on our website at www.my-obgyn.com at the bottom of the "Forms" page.

Thank you for understanding,

Melinda Spooner, M.D.
