*We have included in this list only the facilities that accept 5 or more of the major BCBS plans. There are several other urgent care centers that accept 2 or 3 of the BCBS plans as well. You can go to www.bcbstx.com and search specific facilities by type of coverage you have for more detailed information.

**Most Free standing ER centers are NOT in network with BCBS or any other major carrier. For full ER services utilize the hospital emergency room that accepts BCBS.
